Back to School

Every year, we ask our parents and guardians to share photos of their students returning to school. This year we received over 200 photos.

Terry Fox Walk

CLES would like to thank Cold Lake Fire Rescue for joining us on our Terry Fox Walk.

We also want to thank Peace Officer Simon Crevier for helping students cross the road safely.

CLES raised the most money ever for this event - over \$1,700.

Numeracy in Nature

CLES Grade Two students collected colourful leaves to help them learn about doubles equations.

Autumn Art

Grade Two & Four students are definitely artists - representing Autumn beauty through painting.

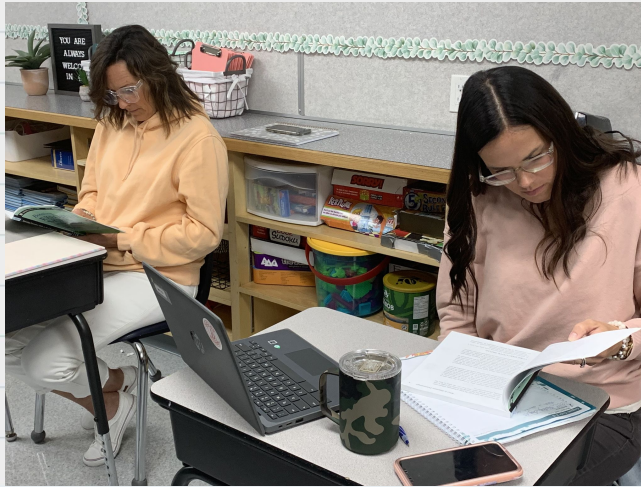

Connecting with Seniors

CLES Grade 3 students sent their artwork to the Points West Seniors Center, so that the Grandpas and Grandmas could enjoy colourful creations hanging in their hallways.

Duclos School

Duclos School staff spent the time leading up to the start of the school year with some excellent professional development, learning, and networking. Together, they studied and practised executive functioning, using "Boosting Executive Function Skills" by Joyce Cooper-Kahn and Margaret Foster.

Feathers for Truth and Reconciliation

All North Star students in Kindergarten will be adding orange feathers to a large heart display to symbolize sending our own special wishes to all for Truth and Reconciliation Day. The feathers will fly our wishes to those we are thinking of.

Handle With Care

IF YOUR FAMILY IS EXPERIENCING DIFFICULTY AT HOME, EPS WOULD LIKE TO PROVIDE ADDITIONAL SUPPORT AT SCHOOL. WE UNDERSTAND THAT YOU ARE NOT ALWAYS ABLE TO SHARE YOUR DETAILS AND THAT'S OKAY. IF YOUR CHILD IS COMING TO SCHOOL AFTER A DIFFICULT NIGHT, MORNING, OR WEEKEND, NOTIFY YOUR CHILD'S TEACHER TO "HANDLE WITH CARE". NOTHING ELSE WILL BE SAID OR ASKED. THIS WILL LET EPS STAFF KNOW THAT YOUR CHILD MAY NEED EXTRA TIME, PATIENCE OR SUPPORT DURING THE SCHOOL DAY.

Terry Fox Run - Friday, September 24th

Students participated in this run with a twist. We staggered our classes running throughout town for grades 4 to 12, while our littles ran in the school yard. It was sad not being able to mix our classes together as we have in the past, but everyone was able to still participate.

Thank you Tracy Casselman!

WE WON! Tracy Casselman (because of Adrienne) entered our school in a contest ... and she won, which means we won! We will each be receiving a George Couros' (you may remember him as our keynote speaker) *Because of a Teacher*. I heard it is an uplifting book ... a gift coming at the right time when we all could use a little lift! Thanks Tracy and Adrienne!

Senior Volleyball

Two tournaments under their belt and next we are hosting our Pink Dig Tournament.

Girls have won silver twice.

Boys have won silver and came in third in Cold Lake.

Junior teams are running and we also have a grade 5 and a grade 6 team!

It has been great having students participating in organized sports in our schools again! This has been great for the mental health of all.

Virtual Announcements

NHS has gone LIVE! for in person morning announcements on our new SMART TVs.

We are using Google Meet to review a morning agenda as a school, go "Around the Horn" for additional items. We finish by playing a different video performance of O Canada every day.

The SMART TV's have been a welcome communication tool for our school.

make lemonade."
