

The background features several stylized autumn leaves in various colors: green, yellow, red, and orange. The leaves are scattered around the central text box, with some overlapping it. The overall style is flat and modern.

Good News

October 5, 2022

The background features a light beige color with various autumn-themed illustrations. At the top left, there are yellow and red leaves. To the right, there is a red leaf and a green leafy branch. In the bottom left, there are green and blue leafy branches. In the bottom right, there is a large yellow leaf and a girl with red hair wearing a purple coat and a red scarf, holding a yellow umbrella. The text "Duclos School" is centered in a white rounded rectangle.

Duclos School

Cancer Walk

In the first week we held a successful cancer walk and it really helped the kids understand how Kindness (our monthly virtue) can change lives.

Just Read

Building connections is a priority at Duclos. On September 7 we held a Meet and Greet for families in the evening and treated them to ice cream and a Just Read Assembly. Parents loved our Just Read Performance! We all cheered and shouted for the Just read woman and Little Red Reading to come out. Then the teachers acted out the Recess Queen as it was being read aloud!

The background features a light beige color with various autumn-themed illustrations. There are several stylized leaves in yellow, red, and green, some with white outlines. Abstract shapes in shades of green and orange are scattered around the central text box. The text 'Kikino School' is centered in a red, rounded font.

Kikino School

Come walk our hallways with me!

The background features a warm, autumnal color palette of oranges, yellows, and greens. At the top, there are large, soft-edged shapes in shades of orange and yellow, some with white dashed patterns. In the center, a light orange rounded rectangle contains the school's name. Above this rectangle, four stylized leaves (two red, two green) are arranged in a row. To the left and right of the central rectangle are two orange leafy branches. At the bottom, there are green wavy shapes representing grass or hills, also with white dashed patterns. A large red leafy shape is visible in the bottom left corner.

Terry Fox Run...

School Event - September 16th

New Staff...

Jehan Abougoush

Ms. Abougoush lives in Lac La Biche. This is her first year teaching Kindergarten and she is so excited to get started! In her spare time she enjoys going for walks and spending time with her nephew who is about to be one year old. Her favorite subjects to teach are science and art. Her goal for her classroom is "make sure her students have fun while learning".

Sioban Stromquist

Ms. Stromquist is continuing with us this year as our high school Math and Science teacher. She loves to make students feel confident in any subject they are learning and is looking forward to getting to know more of the students. Next time you see her in the halls, ask her to show you her amazing tap dancing skills!

Taylor Watson

Ms. Watson joins our team as a new educational assistant working with grades 4 and 5. She brings a high level of energy and enthusiasm to our building along with her talent of baking. If we all look a little heavier by June, you will know why!

New Playground

Our school community is so amazing! Our new playground would not have been possible without our incredible PAC, parent volunteers, community members, staff, students, and generous donors! The kids are absolutely loving the new features, especially the zipline! This playground will be enjoyed by many kids for years to come!

The background is a light beige color with various autumn-themed illustrations. At the top left, there are two leaves, one yellow and one red, with a white outline. To their right is a green leafy branch. Further right is a red leaf and another green leafy branch. At the bottom left, there are two green leafy branches and a dark blue leafy branch. At the bottom right, there is a large yellow leaf and a girl with red hair, wearing a purple jacket and a red scarf, holding a yellow umbrella. The text "North Star Elementary" is centered in a white rounded rectangle.

North Star Elementary

Indigenous Legends

The students in Room 132 at North Star Elementary have been learning about Indigenous Legends. While admiring the fall weather, we learned about the Lakota Legend of why the leaves fall. The Creator said that the leaves of the trees should fall to the ground each fall, spreading a soft, warm blanket over the tender roots and flowers. To repay the trees for the loss of their leaves, He allowed them one last bright array of beauty before their pretty farewell. In response to their literature, the students created unique and beautiful fall leaves to brighten the hallways.

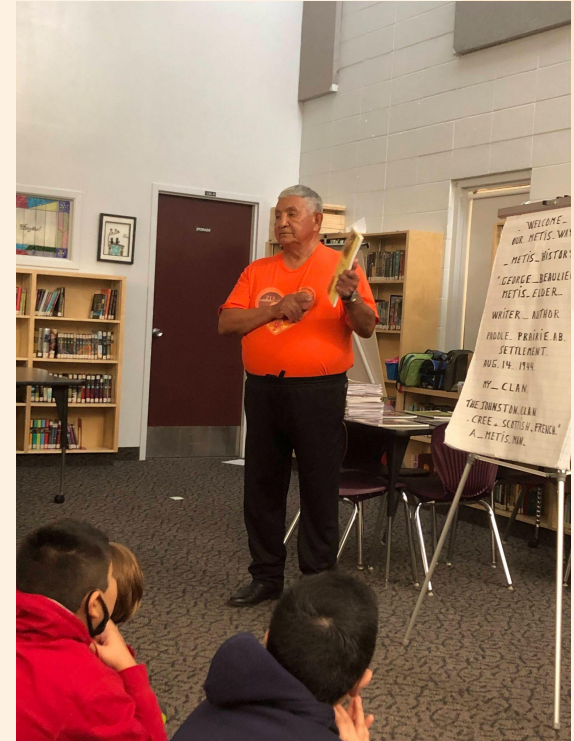

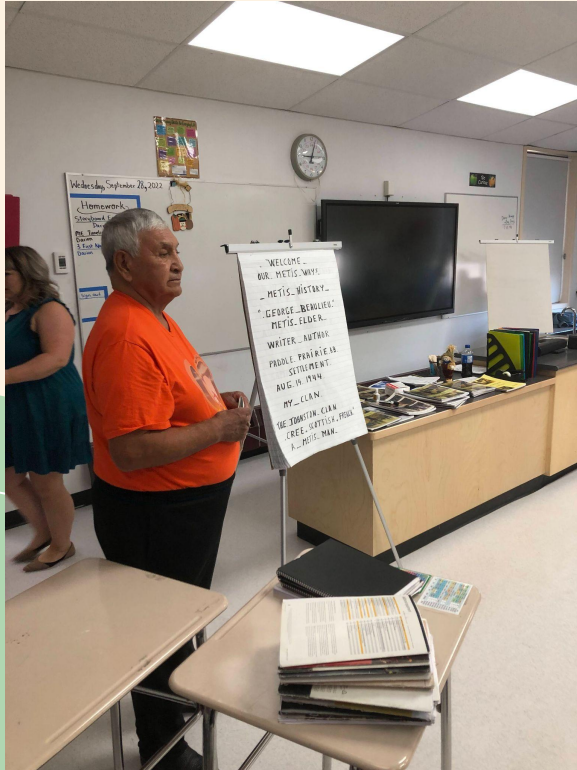

The background features a light beige color with various autumn-themed illustrations. There are several stylized leaves in yellow, red, and green, some with white outlines. Abstract shapes in shades of green and orange are scattered around the central text box. The text is centered within a white-bordered, rounded rectangular area.

Truth and Reconciliation

As our school aims to explore more about the Metis culture and Truth and Reconciliation in Canada, we enlisted the support of local author and presenter George Beaulieu. George shared his knowledge of the Metis culture, his personal experience growing up Metis, and the impact residential schools have had on Metis families to our students through his workshops. He believes positive dialogue is a critical element of the reconciliation process.

The background features a warm, autumnal color palette of oranges, yellows, and greens. At the top, there are large, soft-edged shapes in shades of orange and yellow, some with white dashed patterns. In the center, a light orange rectangular sign with rounded corners and a white border contains the text. Above the sign, there are four stylized leaves: two red and two green, each with black outlines and small black dots representing veins. To the left and right of the sign are two orange-brown leafy branches. At the bottom, there are green wavy shapes representing grass or hills, also with white dashed patterns. In the bottom left corner, there is a large, stylized red flower-like shape with white outlines.

Message from the Middle

Fresh and Saltwater Systems

As a Grade 8 science teacher, I try to make it all about experiential learning. It is rewarding as a teacher when students are not only learning but also loving science. The Fish in Schools (FinS) program through the Bow Habitat Station is a unique opportunity to raise rainbow trout in the classroom to release into an approved provincially stocked water body. Students experience all the life cycle stages of a fish from eyed egg in January to fingerling on release in late May. They learn what fish need to survive and how to provide it. On the day we release the fish, students spend an entire day experiencing

The August edition of the newsletter of the Middle School Council of the Alberta Teachers' Association features an article from Aurora teacher Erin Shulko. The article describes the many hands-on opportunities the school's students have to learn about fresh and saltwater systems.

Glendon School

GNN6

Glendon News Network 6

Bringing Glendon School the news every Monday

Students in grade 6 are running a school news broadcast that features school announcements, weather, sports and even some fun segments that connect students with the school and with each other. Every week, the Grade 6 students prepare by writing scripts for the news segments and then recording them in front of a green screen.

One of the most popular segments is called Mystery Box where students from other grades can come down and guess what is in a box, without looking, to get a prize.

K-12 Welcome Back Assembly!

We were excited to kick-off the school year with a welcome back assembly!

The Kindergarten class had a special entry led by school mascot Knightro, and were greeted by all of the Gr 1-12 classes.

[Kinder Entrance Video](#)

The Kinder and Gr. 12 students then competed together, and other multi-grade activities followed with great celebration!

We are looking forward to a whole-school assembly each month to highlight different grade pairings and have an opportunity to connect!

The background features a light beige color with various autumn-themed illustrations. There are several leaves in shades of yellow, orange, and green, some with detailed vein patterns. Abstract shapes in green and orange are scattered around the central text box. The text is written in a bold, rounded, red font.

CLES Teachers Collaborate on New Curriculum

CLES raised **\$1034.00** for the Terry Fox Foundation!

The background features a light beige color with several decorative elements: a large green shape in the top left, a yellow leaf at the top center, a red leaf at the top right, a green leaf on the right side, a red leaf on the left side, a yellow leaf at the bottom left, a green leaf at the bottom center, and a large orange shape at the bottom right with purple dots. The text is centered on a light orange rounded rectangle.

Cold Lake Junior High

What a great kick off to the school year!!! We had our CLJH Grand Opening celebration on September 14, 2022. Thank you to the NLPS Trustees and the Superintendent for their inspirational messages and words of encouragement. We also want to thank Elder Karen Collins, Commissioner of Metis Nations of Alberta for the opening prayer and special address to all of us; and of course all the staff for their part in the day. Capping off the assembly with McDonald's Happy Meals for everyone was also a great big hit. Welcome to almost 600 of us at Cold lake Junior High!!!!!!!!!!!!

Breakfast Club is on the way!!!! Students were so happy to be able to volunteer to serve healthy breakfast for all the kids. A special recognition to APPLE SCHOOLS, Breakfast Club of Canada, and PC Children's Charity for donating the funds for us to run the Nutrition program.

Thank you to Mrs. Normand for operating the Nutrition Break and Mrs. Murphy for supporting student growth and understanding of healthy eating.

Community of Hope Colour Run

The Community of Hope Colour Run was a wonderful way to connect our staff with our families and community. We raised almost \$700 for the Bonnyville SPCA and our HEB parents once again were an incredible support to us volunteering to serve free ice cream! Hundreds of people attended this event! We look forward to a year ahead filled with more connections, celebrations and community service with all of our Bears!

Thanks!
