✓ We have an incredible group of parents at LTA. When it comes to field trips, in-person events, schoolwork and daily tasks, our parents are always involved and engaged. We are fortunate to have such a great school community. ○

At the end of the day, the most overwhelming key to child's success is the positive involvement of parents.

**Thank You Parents,
Love LTA School**

As of November 2022,
LTA officially has a
School Council.

North Star Elementary School

Throughout the year I challenge students to go home and chat with their parents about what they are learning in class. I enjoy this activity as it allows parents to become involved in their child's learning and it gives them the opportunity to teach their kids about things that perhaps were not touched on in class. I ask the students to get their parents to email me to show me that they have gone home and talked about it. If their parents email me the student receives 50 school bucks that they can use at our end of month class store. I also enjoy the conversation it sparks between the parents and I.

During our health and wellness class with Jody Turco (SFSK Wellness Coach), the students received a “Table Talk” question sheet that they took home to use at the dinner table to help spark conversations at the table. Many students said they enjoyed this activity as it gave them fun things to talk about.

If you had 1 million dollars, what would you do with it?	If you could have any pet in the world, what would you choose?	What is the one thing you would do if you were president?
What do you think makes someone a good friend?	If you could only eat one food for the rest of your life, what would it be?	What is your dream job?
Name three things that make you happy.	If you could read one person's mind, who would it be?	What scary movie would you watch?
If you were invisible, where would you go?	If animals could talk, what do you think they would say?	What is your favorite memory?
What's better: to be kind or to be smart?	What would you put in your dream house?	What are the three things that all kids should learn in school?
If you could switch places with anyone in the world, who would you switch with?	What do you think is the hardest job in the world?	If you were a circus animal, what would you be?
What is your favorite way to spend a Saturday?	What's one thing you're looking forward to right now?	What will you be doing about the year 2050?

I have my parents check their child's agenda on a daily basis and sign them to ensure that they are being checked. Parents will also leave notes if their kiddo is having a rough morning, this allows me to handle them with care.

Parent Council

Our Parent Council has been on fire this year, with fundraisers, grants, and rewards for students.

- Lego Program Grant
- Christmas Silent Auction
- Cold Lake & Area Baby Sale Weekends

Over \$20,000 to support student learning to date this year!

Cora with her Lego prize for creating a Santa sleigh with innovative features for our STEAM competition.

Aurora Middle School

We are grateful for our very strong School Council. We have gained quite a few members and have new parents stepping up to take roles. Our parents have been instrumental in supporting school wide initiatives such as whole school cookie decorating, theme days, and supporting the shift of our library into a more student friendly space.

The background is white with several decorative elements: a large teal shape on the right side, a smaller teal teardrop shape below it, and scattered small circles and dashes in colors like purple, blue, and yellow.

H.E. Bourgoin Middle School

H.E.Bourgoin family members support us in so many ways!

- School Council
- Fundraising Foundation
- Elders
- Volleyball Coaches
- Basketball Coaches
- Terry Fox Run Volunteers
- Color Run Volunteers
- Dance Volunteers
- Tournament Volunteers
- Decorators for Events
- Pancake Breakfast
- Toast Tuesdays
- Parfait Friday's
- Casual EAs
- The Greece Musical Volunteers

Ardmore School

The Ardmore School Clothing Swap has returned in 2023. This event was 100% Parent-led. Our Parent volunteer made lessons and activities for students, based on age, that even included calculating their carbon footprint. This event was completely free for all Ardmore students, and their families (parents shopped too)!

Nelson Heights School

NHS welcomed hundreds of community members to our Jan. 10th Christmas Concert. What an event for parents and families! We have also had a great turnout of 18 parents at our first School Council Meeting, as well as parent volunteers for photo day, and extracurricular coaching.

Cold Lake Elementary School

Thank you CLES Parents & Families for your Time & Dedication!

The background features a white space with several small, colorful decorative elements: a purple dot in the top left, a blue dash in the top center, a yellow dot in the bottom left, and a blue dot in the bottom center. On the right side, there are large, abstract teal shapes, including a large curved shape and a smaller teardrop shape below it.

Cold Lake Junior High

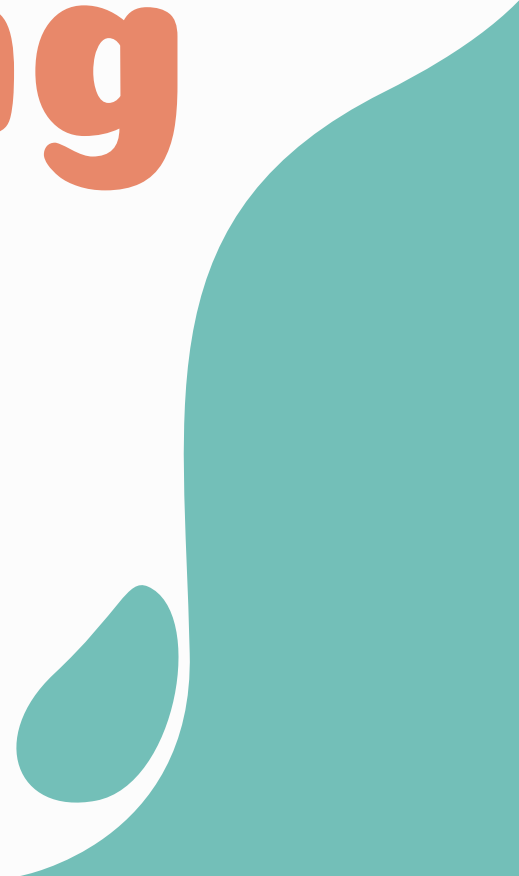

CLJH is grateful for our PAC fundraising group!!!!!! They are doing a fantastic job supporting our student council activities, sponsoring prizes for the Halloween Dance, bringing supper to our staff during parent-teacher interviews, fundraising for teacher classroom projects, and recently writing a grant for a class set of Janome sewing machines.

School Council members are actively involved in school education vision plan. They are also actively engaged in the development of our new school identity and PBIS program.

PROVIDING OPPORTUNITIES FOR PARENTS TO BE ENGAGED

-We have returned to in-person Parent-Teacher Interviews, so parents can meet teachers face-to-face.

-At both sets of Interviews (Oct 5th and Nov 23rd) SFSK and our SACs hosted information sessions for parents on mental health issues.

-All parents were invited to participate in a virtual School Council meeting

Many thanks!
