Review

1. Did you review the entire item?

2. To what do you object?

3. What do you believe is the main idea of this material?

4. What do you feel might be the result of a student using this material?

5. Is there anything good about this material?

6. Are you aware of the judgement of this material by professional critics?

7. In your opinion, for what age group would this material be appropriate?

8. In place of this material, would you care to recommend other material that you consider to convey a similar perspective of society and of a set of values?
