prevention for
donating
\$20,000 to our
breakfast and
snack program!!!**

Buffalo Lake Métis Settlement Cancer Prevention & Screening Project Community Action Team, Elders and Facilitator were pleased to take part in bringing awareness of Healthy Lifestyle choice in the prevention of Cancer: including Health Eating. We were happy to help Caslan School by providing a donation paying for snacks and breakfast-program for a year. What better way to help with healthy eating than feeding the children of the community!

Also thanks to
