Seth & Dylan's Coffee Cart

Let's shine a spotlight on Seth and Dylan's dedication and hard work at ASAA's weekly coffee cart! These two dynamic students are not just selling hot beverages and snacks; they're brewing up success. For just \$2, you can treat yourself to their delightful offerings, available every week. And for those looking to maximize the enjoyment, grab a book of 5 tickets for only \$10.

But here's the real magic: every purchase isn't just a tasty break; it's an investment in our school community. Half of the proceeds go right back to ASAA, fueling the fantastic things we do together. The other half? That's Seth and Dylan's ticket to an extra-fun, well-deserved celebration at the end of the year. Let's applaud their initiative, savor the treats, and support their journey to making this school year unforgettable!

In December, CLES Grade 1 students sang so beautifully to the seniors at the Lodge! A special thank you to Mr. Walter Hrycauk for spending time rehearsing and performing with our students! This was a very special experience for everyone. Another big thank you goes out to Mr. Walter Ogrodiuk who also sang with our Grade 3's and Kinders in December.

[Video](#) - Mr. Hrycauk
[Video](#) - Mr. Ogrodiuk

It's always a good time when Mr. Steve Harmer visits us with his magic show! CLES students had so much fun with Mr. Harmer's tricks and messages about Hope, Peace, Love and Joy!

Grade 3 students learned about India and cultural dance styles and performed in front of 600 people at the Cold Lake Diwali Night. Students used their prize money for a Grade 3 feast of delicious butter chicken, rice and naan bread. Thank you to Mr. Boychuk, Mrs. Pearcy and Mrs. Reed for putting it all together.

Student Council worked together at lunch time to made blankets for the CL Humane Society

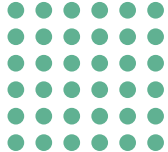

CLJH welcomed our future COBRAS as part of a transition plan!!! The grade 6 students from NHS and NSE joined us in the dress rehearsal for our Winter Drama Showcase

Thank you to all the judges, NLPS trustees, superintendent, CLHS teachers, Portage College representative, and School Council member for being a part of our first annual science fair.

06

Cold Lake Outreach

All members of the Outreach family work to help students have academic success. Even Santa dropped by to lend a helping hand.

The week before the break included not only completing coursework but also taking time to spread some Christmas cheer and give our students positive holiday experiences. A Christmas feast, cookies, hot chocolate and other holiday fun all because of the dedication of our staff.

What are the 7 sacred teachings?

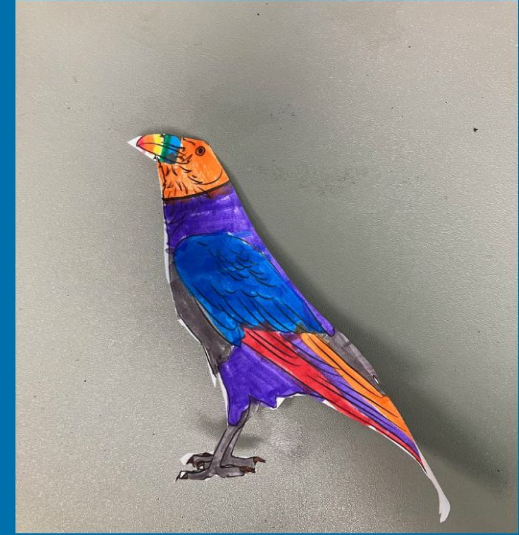

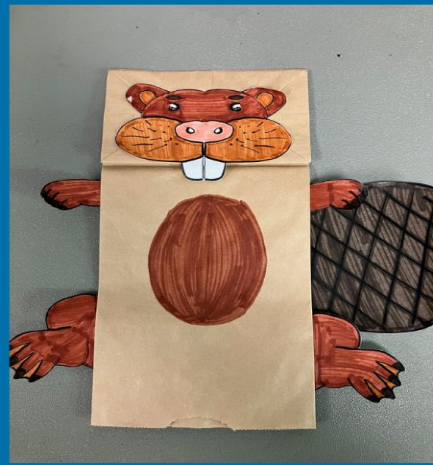

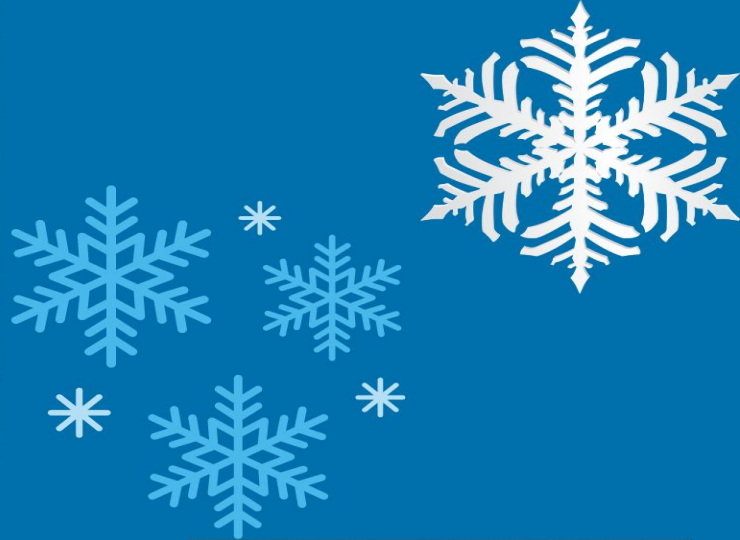

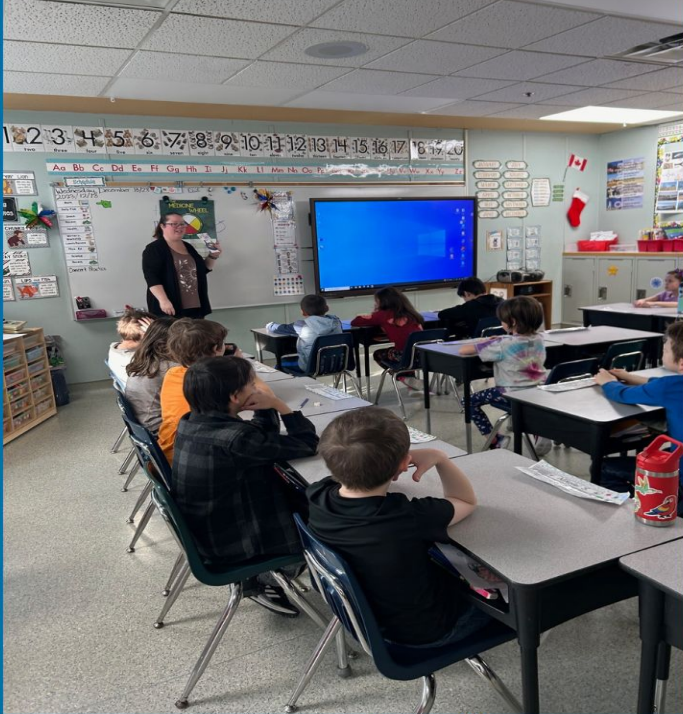

Ask the students of 2M & 2H and they will be more than happy to answer. For 7 weeks our friends Miss Pam & Miss Donna-Lee from Successful Families, Successful Kids have been coming into their classrooms, reading books and doing crafts.

These teachings have been served as a guide or foundation throughout the school community to teach social and emotional learning and personal responsibility.

In each reading corner, they have their posters hung and can proudly tell you all about them.

H.E. Bourgoin School

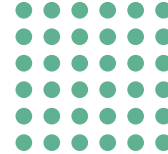

Our H.E. Bourgoin Middle School Positive Behaviour Support Staff Breakfast Club (HEB PBS SBC) created an in house ROK Food Bank! This is a great initiative for Respect Opportunities and Kindness. We have spirit days every two weeks and students bring in a food item to donate to our food bank. Some of our Grade 8 students helped sort the bags and so many of our staff and community members contributed donations of their own. The bags were overflowing with everything from boxes of chocolates to a ham and buns for their Christmas dinners. We sent out an invite to all HEB families to let us know if they needed a food hamper for the holidays and we had 17 families in need. Our hampers were overflowing and our hearts are too! What a great opportunity for our students to show kindness in our community.

High School**

The hard work from the Drama students, Media Art students, & Cosmos students paid off with a spectacular production of Clue. It ran for three days and nights. The crowd roared with laughter watching these talented youth perform.

Huge thank you to Amena McKay, Matt Dyck and our Drama teacher Marlo Hanson.

Grade 9 Wildlife students learned basic meat processing skills when they deboned various muscle groups and sorted meat by roast and steak cuts & sausage meat.

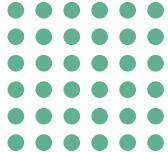

The JAWS cafeteria is run by K & E Work experience students. They prep food to serve for the school cafeteria for lunch. One-by-one the students have invited their families in to show their skill in cooking by choosing their favourite meal to make and serve. It has been great meeting families and connecting over a meal.

Students in WildLife participated in a an outdoor survival campout. They build shelters to sleep in during the month of December. This class did the preparation in order to receive wildlife 1100 outdoor survival skills and wildlife 1130 outdoor cooking credits.

Our LTA students have been selected as WINNERS for the Edmonton Oil Kings Reading, Give it a Shot game!

Jan 19th Oil Kings Vs Prince Albert Raiders

We are very proud of their reading accomplishments 📖❤️

Reading, Give it a Shot! is a literacy program that aims to boost classroom literacy rates by rewarding students for reading.

LTA Student Spotlight

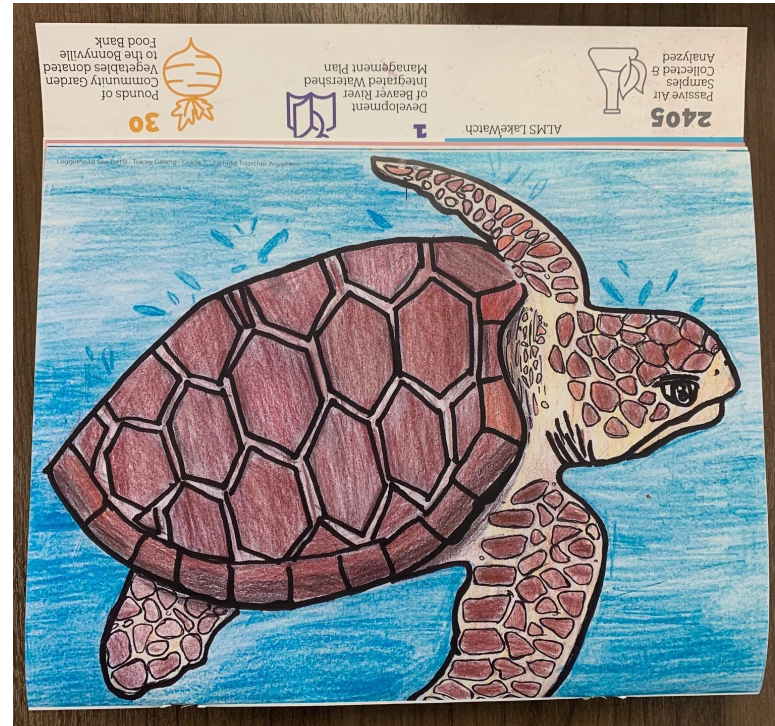

Tracey, a winner in the 2024 LICA Calendar Contest.

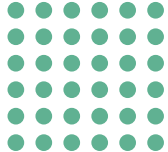

Tracey's beautiful artwork was featured in LICA's 2024 calendar and received a CASH prize.

The drawings in the calendar were created by talented young artists in the LICA region, who entered our Calendar Art Contest. The theme this year was Species at Risk found throughout Canada.

Learning Cree in Kindergarten

In Kindergarten, students have been learning the importance of giving thanks and showing gratitude through the use of Land Acknowledgements.

In an effort to build lasting and meaningful connections, the students have begun learning a few Cree words through song.

Students enjoy singing and listening to Brian MacDonald's "Cree Songbook" album.

WANDERING

RIVER SCHOOL

14

Wandering River School

We'd like to send a huge thank you to our PAC. They purchased a new projector and screen for our gym, which was recently installed and the students were able to watch a movie in the gym for their kindness reward. They also purchased all of the staff and students hoodies for Christmas, with last names embroidered on the back.

Thanks!
