Remembrance Day at ASAA

A heartfelt thank you to everyone who attended our Remembrance Day ceremony. Your presence and solemn reflections helped honor the brave men and women who have served and continue to serve our country.

Lest we forget.

Metis Week

One of our families came in to share their Metis history, the fur trade and culture. Thank you to the Cowdens!

Our students had an opportunity to learn how to jig in PE class, as well as a fun portage activity.

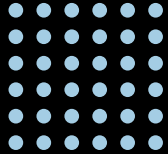

Warrant Officer Moses came in to visit our Grade 3s and discuss with them the different branches of the military in Canada and the importance of each one.

She also delivered a wonderful message to our students during the Remembrance Day service.

Thank you Warrant Officer Moses for your time and for your service.

Canada Career Month

04

Cold Lake High School

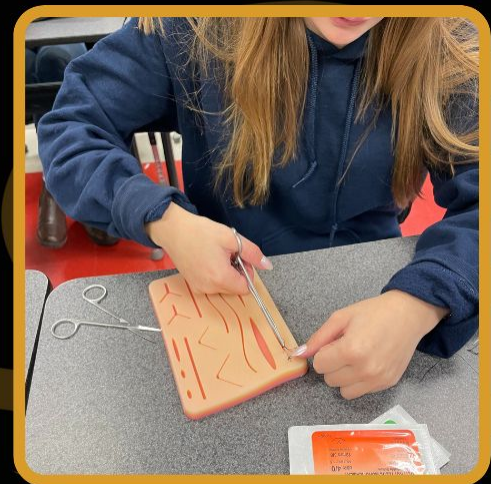

This month students in Industrial Arts with Mr. Hodinsky have learned many hands-on practical skills including oil changes, tire rotations, automotive detailing, welding and small engine repair.

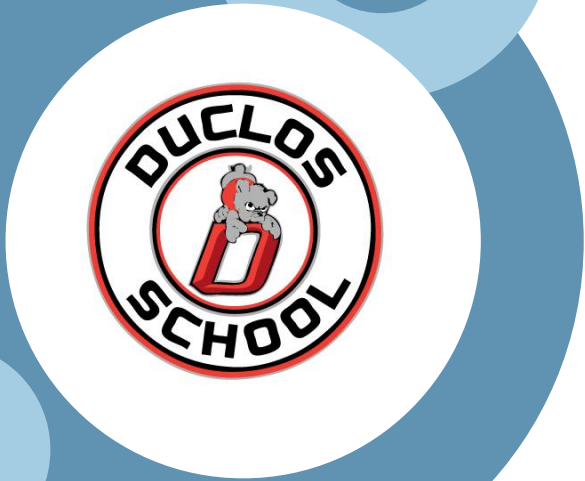

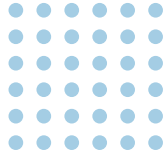

Royals participated in two sessions hosted by U of A Faculty of Medicine students. They learned about the field of medicine, programming options and even tried some medical 'procedures'!

**Congratulations to the Royals
Football Team who had an
amazing post season earning a
Provincial Bronze Medal!**

05

Duclos School

Miss Hornseth has become a big part of our Duclos family since she graduated from U of A last year. She is currently filling in for a Grade 2 class and she often gets stopped in the hallways for hugs and pictures. Her friend Symphany gifted Miss Hornseth and her other Swiftie friends a sweater.

Every year our Grade 2 classes host Socktober. They accept donations from socks, to mitts to toiletry items. Then when its over they take a walk to the Bonnyville Friendship Centre with all their items. They ended up bringing in 4 wagons full of donations.

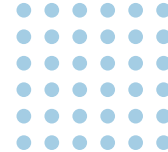

We had a full house for our Remembrance Day ceremony. Families, students and members of our community came to pay tribute to those who served and sacrificed.

Building Critical Thinking Skills Through STEM

The Grade 4's at Glendon School have been busy building and creating through daily STEM activities. From building cars, marble runs, paper jets, perler bead creations (fine motor development), composting food waste using worms, and mathematical thinking through financial literacy at the grocery store.

Our grade 9 class completed the Community Helpers training, and are now working on community activities and their year end project which would include the whole school and the community.

Grade 8 finished their pajamas a couple of weeks ago! Through a lot of sweat and tears from finger pokes from threading needles... they finally produced a wearable product.

Socktober

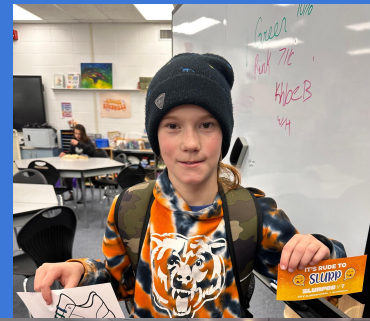

HEB partnered with the Bonnyville Pontiacs for **Socktober**. A wonderful initiative to support those in need as we head into the colder months. We collected a box full of **socks, mittens, toques, and toiletries** for our local food bank, ensuring that those who are struggling can stay warm and comfortable.

Clubs

Everyday after school we have a different bear club for students to attend. It's a safe space for kids where they can go after school from 3:30–4:30. Some of our clubs we do are Lego Club, Origami/Art Club, Running/wellness Club, Board Games Club, and Kindness Club

Remembrance Day Ceremony

Our ceremony was very student-centered this year and it turned out amazing! We had student MCs for the ceremony, original poems and paragraphs read, a student-led choir, student artwork, and student wreath bearers. We had many special guests including a WWII Veteran from our community that is now 101 years old! Everyone was very impressed with the ceremony, how well the students were behaved, and how well they all performed, and even cleaned up afterwards!

*At the going of the sun
and in the morning, we
shall remember them.*

CEREMONY 2024

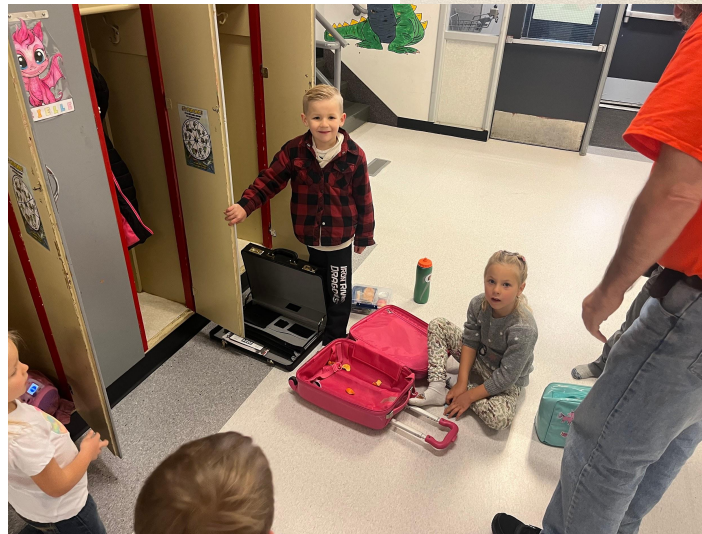

Gaga Ball

Our amazing PAC purchased our school a Gaga ball pit! It is a great new game that has become very popular with our students and around the world. Our kids helped to build the pit and have been having an incredible time playing in it every time that they get a chance!

Spirit Days

Our leadership class has been planning spirit days throughout the year and doing an incredible job! The kids and staff have been having a bunch of fun together participating in these special days. Our latest one was "Anything but a backpack" day! So many cool and creative ideas!

PBIS ASSEMBLY & MORNING ANNOUNCEMENTS

We are having Assemblies at the start of every month where we talk to students about our PBIS focus for the month, celebrate birthdays, and celebrate some of our students who are being their best selves!

We also reinforce these goals every morning during our Google Meet announcements led by Mr. Whaley!!
